**LUXURY NEW HOMES SPECIALIST ROBIN J. MUCHOW
JOINS VINTAGE COMMUNITIES' TEAM**

Vintage Communities is pleased to welcome Robin J. Muchow to Stonewater Creek, a private, gated community of luxurious homes in the Hamilton Mill area of Gwinnett County.

Muchow has had a memorable career representing custom homebuilders for more than 17 years, and is the recipient of numerous awards demonstrating his ability to assist clients in their search for their dream home.

He received the Coldwell Banker 2005 Diamond Award, the 2004 Atlanta Board of Realtors Phoenix Award and the Atlanta Board of Realtors Top Producer Awards for Sales of New Homes for the past 12 years.

“It is energizing to represent the developer and builders at Stonewater Creek due to the excellence of quality of this community and its homes,” said Robin Muchow. “Stonewater Creek’s distinctive homes are set in the privacy of heavily wooded homesites and rolling hills and yet have easy access to the reputable Mill Creek schools, Little Mulberry Park and major roadways. This gated neighborhood of luxury, custom designed homes is a homebuyer’s dream come true.”

At completion, Stonewater Creek will consist of approximately 270 homes with homes from the mid \$600’s to \$800’s.

The amenity rich community will include a two level stylishly decorated clubhouse - featuring a casual seating area, fireplace, kitchen, dining room, fitness center and an outdoor fireplace – all overlooking the community’s aquatics center. “Kids of all ages will love our double-spiral water park slide,” said Muchow. “The aquatics center also features a competition-sized swimming pool, zero-entry children’s pool and three water mushrooms.”

Other amenities will include a playground, four lighted tennis courts and a fitness trail. Homeowners can also take advantage of nearby Little Mulberry Park, which offers a pond, playground, nature preserve and miles of hiking, biking and equestrian trails.

To visit Stonewater Creek, take I -85 N. to the Hamilton Mill exit. Turn right onto Hamilton Mill Parkway and then left at the first light onto Braselton Highway/Hwy. 124. Go approximately 3.2 miles to the community on the right.

For more information, please call Robin Muchow at 678-714-2023.
